1. Introduction

This document describes the installation of dedicated sunshades designed for ADU series displays.

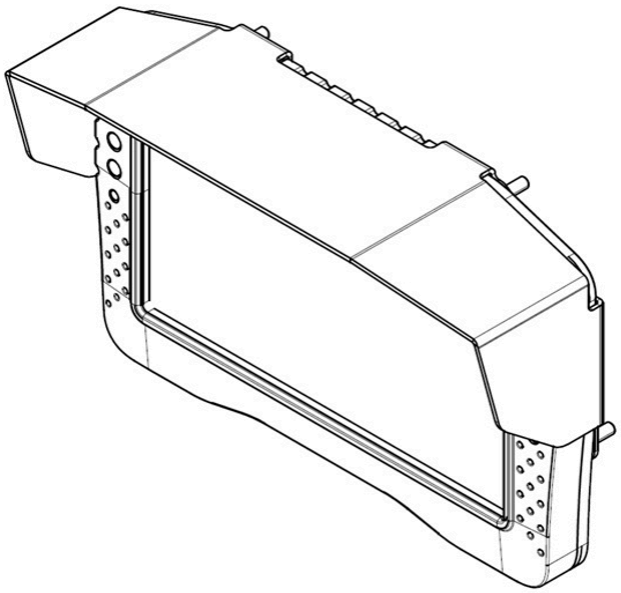
Dedicated sunshades are available for the following displays:

- ADU 5" Rev.2
- ADU 5" AS Rev.2
- ADU 7" Rev.2
- ADU 7" AS Rev.2

The sunshade reduces glare and improves display readability in bright sunlight.

Features

- Designed specifically for ADU series displays.
- Reduces sunlight glare.
- Improves display readability.
- Mounted using the standard display mounting studs.
- No modification of the display is required.



2. Specifications

3. Package Contents

Item	Description	Qty
1	Dedicated Sunshade for ADU	1

4. Installation

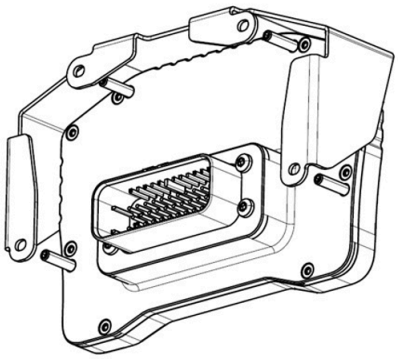
Step 1

Slide the sunshade onto the display mounting studs before installing the display in the vehicle.

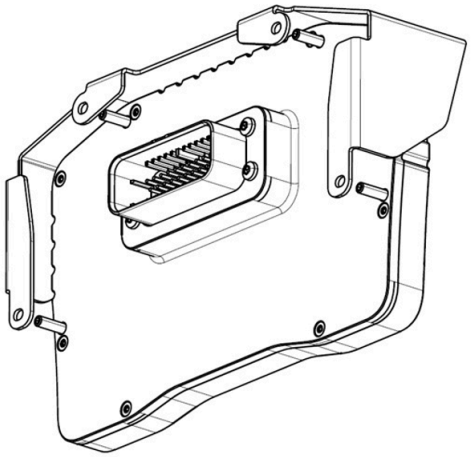
Note:

The mounting studs are supplied with the display.

ADU 5" Rev.2 / ADU 5" AS Rev.2 Sunshade



ADU 7" Rev.2 / ADU 7" AS Rev.2 Sunshade



Step 2

Install the display together with the sunshade according to the Mounting the ADU section of the ADU Manual.

Notes

- The sunshade must be installed before mounting the display.
- The sunshade cannot be installed after the display has been mounted without removing the display.
- Install the sunshade carefully. Do not use excessive force to avoid damaging the display or mounting studs.
